A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Beaver Tribal Council	=	Council
Alaska Native Tribal Health Consortium	=	ANTHC
Denali Commission	=	Commission
Financial Assistance Sub-Award	=	FSA

On July 11, 2001, ANTHC and the Beaver Tribal Council executed an FSA authorized by the Denali Commission to perform the planning, design, and construction of a new multi-purpose community health center. The project was funded in the amount of \$154,900 by the Denali Commission.

An Amendment No. 1 to the FSA provided \$350,000 of additional Commission funding and was executed on September 17, 2003.

An Amendment No. 2 to the FSA provided \$26,462 of Beaver Tribal Council funding and was executed on April 14, 2004.

B. REVISION OF PROJECT FUNDING

Indian Health Service FY04 Tribal Equipment funds in the amount of \$93,497 have been awarded to this project. By signing this Amendment, the Council agrees that these funds shall be transferred to ANTHC for this project.

The funds have been added to the previous project funding amount of \$531,362, thereby increasing total project funding to \$624,859.

This document constitutes Amendment No. 3 to the FSA to perform the planning, design, and construction of a new multi-purpose community health center in the Village of Beaver, Alaska. All other sections of the original FSA and/or Amendments No. 2 and 1 remain in effect as agreed upon and executed.
